

PCP =

Prevention and Control Plan
for peaceful co-existence

**WEARING A MASK IS MANDATORY ON THE BOAT
DURING EACH ROUND TRIP**

In order to **respect the physical distancing** required,
in accordance with our PCP,
(Prevention and Control Plan for peaceful co-existence)
we have limited the number of seats on our boats.
However we are trying our best to reduce as much
as possible the waiting time.

In addition, for your safety and comfort
we have limited the access to Bendor Island.
That is why, when you will buy a ticket, you will need to
book a date (according to the availabilities). Once
on the island, you will fully enjoy, with complete peace
of mind, of all the activities and services we offer.
